British Triathlon

This is a British Triathlon sanctioned event and is being held under British Triathlon competition rules. [British triathlon competition rules.](#)

British Triathlon – Championship event

We are pleased to announce that the 2026 Standard Distance Triathlon at the Northumberland Festival of Sport is the 2026 English Standard Distance Triathlon championship event.

British Triathlon Age group racing

We are pleased to announce that the 2026 Standard Distance Triathlon at the Northumberland Festival of Sport is an Age Group Qualifier for the 2027 European Championship.

What is Age Group racing? What are World Triathlon and Europe Duathlon Qualifiers?

The Great Britain Age Group Team offers British Triathlon Home Nation members a unique opportunity to represent Great Britain at continental and international events in triathlon, duathlon, and other multisport disciplines. If you qualify for the team, you can represent Great Britain and enjoy the experience of racing at a European or World Championship.

Age Group Qualifiers - How to Qualify?

Qualifiers are held annually across Britain for triathlon and duathlon races, with athletes qualifying for Championship events the following year. This event is a qualifier, and results will be shared with British Triathlon for Great Britain Age

Group Team selection. If you intend to qualify for the Great Britain Age Group Team, you must be a member of British Triathlon through your Home Nation and register your intent to qualify by 5pm on the Friday (for Sunday races) or 5pm on the Thursday (for Saturday races) before race day. Additional details can be found here:

<https://www.britishtriathlon.org/age-group>

British Triathlon - Illegal Equipment

Under British Triathlon rules, certain items are banned during the event – this includes MP3 players, mobile phones, and personal video recording devices. Leave these items outside transition

British Triathlon – Littering policy

All litter must be placed in bins or elsewhere specified by the Event Organiser – keep hold of your litter until you can dispose of it properly.

Event Course Route Maps

All Course Route maps are available to view or download on the event website:

<https://www.vo2maxraceevents.co.uk/>

The course maps will also be available to view at the event HQ when registering.

All team members must present themselves at registration. All relay team members will be provided with a timing chip. It must always be worn around the ankle to work. Two race numbers will be provided for the bike & run team members. A race belt is ideal for the relay team as you can pass this between the cyclist and runner

- Cyclists must wear the bib number on their back.
- Runners must wear the bib number on their front. It is recommended that a race belt is used for ease and convenience.
- The bike sticker must be attached to the team cyclist's bike, and this must be on your bike before you go to transition.
- Changeover will be in a spacious area (most likely transition), the cyclist waits for swimmer at a designated position and then runner waits for cyclist at that same point. Cycle helmets must remain on until after tagging the runner.

Transition

- Bikes must be racked in the numbered spot allocated.
- Your helmet must be securely fastened before unranking your bike.
- You must rack your bike before unfastening your helmet.

- There are experienced Volunteers in the transition area, there to help you! Please listen to them and follow their instructions.
- Event numbers must be visible from the rear on the bike.
- After the event, you will only be able to retrieve your bike and equipment from transition using your bib number as ID.
- The Transition volunteers will let you gain access to your bike and belongings when you finish and when it is safe to do so.
- Please respect other competitors and give them time and space to continue their race.

The Swim

- Standard Distance 2 Laps.
- Sprint Distance 1 Lap.
- Anti-clockwise swim course keeping buoys to your left always.
- Swim start is at the end of the pontoon / Jetty.
- Give yourself plenty of time to warm up before you start.
- There is a dedicated warm up area available.
- Wetsuits are compulsory unless informed otherwise by the Triathlon England Technical Official.
- Exit the lake in front of transition and large flags on the lakeside will guide you safely to the exit point.
- Water safety cover is provided, and swim exit marshals are located around the lakeside on the swim route at the nearest point to the side of the lake.

- If for whatever reason you happen to get into any difficulties during the swim section, please roll onto your back, raise one arm into the air, and you will be attended to by the safety crew.
- It is the competitor's responsibility to know the course and count their own laps.

The Bike

- **Sprint:** A single 19K lap.
- **Standard:** This is a 2 lap 38k of the same course (**Do not** return to the park after your first lap!).
- The roads are Live! and all competitors must always obey the Highway Code.
- The course has Three roundabouts; competitors should exercise best caution and follow the Highway code.
- When you are overtaking a cyclist in front of you, please do not pull out to the centre of the road, please be aware of other road users during the event.
- Exercise best caution when cycling in and out of the country parks. There are speed humps in the middle of the road of the country parks that you can get safely around at the side of the road. There is a long fast decent into transition and to bike dismount, please slow down.
- Volunteers are located at key areas around the course but are NOT allowed to direct or stop traffic. It is up to the competitor to follow the highway code and **stop** if required.
- Be safe, Enjoy the bike ride - but be cautious and obey the Highway Code.

Penalties and Appeals Process

An appeal is a request for a review of a penalty decision made by a Technical Official.

Appeals cannot be made against penalties resulting from a Technical Official's judgement call which include, but are not limited to, drafting and littering. A competitor may ask the Chief Technical Official for explanation of these

judgement calls; however, no appeal can be made and will not be admitted.

Event Photos

Aptitude media will attend this event. All photos will be free to download. We will send the download link out to all competitors after the event.

If you have your own event photos, please feel free to share your event photos on our social media pages [Instagram](#) & [Facebook](#).

Medical Cover & Conditions

Medical cover will be available on site. If you have any medical conditions, you should have declared this on your entry, but please write these on the reverse of your race number. If you have any medical issues during the event, the medical team will check first before any emergency treatment is performed.

Event Equipment – what do you need?

You may need to bring the following items for your event:

- Wetsuit - (It is compulsory to wear a wetsuit for the open water swim. Unless we have a very warm summer and the TE official deems it optional.
- Goggles.
- Shorts, Swimsuit or Tri suit to be worn under your wetsuit.
- Bike – in road-worthy condition, with handlebar end caps fitted. Checks will be carried out before your bike is allowed into the Transition area.
- Cycle/run T Shirt, unless you are wearing a tri-suit.
- Cycle helmet, without any damage and that fits!
