Event Schedule – Sunday 28th September

- 9.30am - Registration open
- 10am - Volunteer Briefing
- 10.20am - Pre-event Briefing
- 10.30am – Trail Run Start.

Registration

Registration is at the Visitors Centre (Event HQ) from 9.30am on event day.

At Registration, all competitors will receive essential items for the race:

- Bib numbers. This is your timing chip, and it must be worn throughout the event, to get your time and finish position.
- We recommend you use a race belt for your race numbers. If you are not using a race belt, safety pins are provided. Please ensure your Bib number is visible from the front on the run.

Pre Event Safety Briefing

A pre-event safety briefing will be held at 10.20am at the Finish line (On the grassed area outside the Race HQ) on the morning of the event. All event information, course routes and instructions are contained within this event information pack. Any last-minute event / course changes will be relayed to competitors at registration and at the pre-event briefing.

The Start

The Start of the trail run is on the road, just opposite the main car park within the country park.

- **1 lap.**
- The run is on the hard surface path that surrounds the lake with full signage.
- Run on the inside of the path and overtake on the right.
- The course is fully marshalled with signage; keep to the course unless otherwise instructed by a Marshall or a sign.
- Please be aware of any members of the public on the footpath as it is a public area.
- Race number clearly visible on the front.
- If the weather is unseasonably hot, we will have a water station at the 5km point where you can grab a drink – but please put the cups in the waste bin provided at around 10yards past the water station.
- **Finish** – On grassed area outside visitor centre.
- It is the competitor's responsibility to know the course
- Presentations from 1130hrs.
