Registration

Registration is at the Visitors Centre (Event HQ) from 8.15am on event day.

At Registration, all competitors will receive essential items for the race:

- Bib numbers. This is your timing chip, and it must be worn throughout the event, to get your time and finish position.
- We recommend you use a race belt for your race numbers. If you are not using a race belt, safety pins are provided. Please ensure your Bib number is visible from the front on the run.

Pre Event Safety Briefing

A pre-event safety briefing will be held at 9.20am at the Finish line (On the grassed area outside the Race HQ) on the morning of the event. All event information, course routes and instructions are contained within this event information pack. Any last-minute event / course changes will be relayed to competitors at registration and at the pre-event briefing.

The Trail Run

The Start of the trail run is on the road, just opposite the main car park within the country park.

- **1 lap.**
- The course is fully marshalled with signage; keep to the course unless otherwise instructed by a Marshall or a sign
- Run on the inside of the path and overtake on the right.
- Please be aware of any members of the public on the footpath as it is a public area.
- Navigate the course with safety, especially through the woodland areas, i.e. tree roots, muddy patches, they could be slippery.
- Take care around the course – there could be standing water on footpaths.
- Wear appropriate footwear for this trail run.
- Race number clearly visible on the front.
- **Finish** – On grassed area outside visitor centre.
- It is the competitor's responsibility to know the course
